BEHIND THE SCENES

Mrs. Pat Glensor

Chris and Lucille

Bobby Turkus

We, the graduating class of 1980, wish to dedicate our yearbook to the many people who have played a special role in our four years at Moore, our "behind the scenes" friends.

To the maintenance men, Mr. Hansen, Jimmy, Mr. Wissel, and Bobby, whose hard work and friendly ways have brightened many a day . . .

To the office ladies, Mrs. Mazella, Mrs. Turkus, and Mrs. Todd, whose endless work and devotion have enabled our school to run *smoothly* . . .

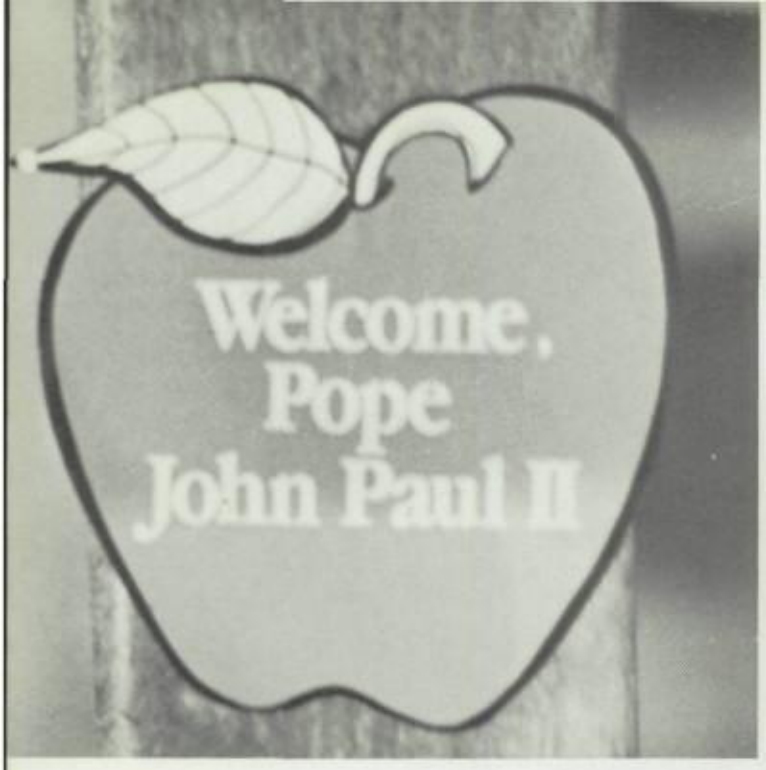
To the cafeteria ladies, Chris and Lucille, whose warm and cheery smiles make our hectic lunchtimes more bearable . . .

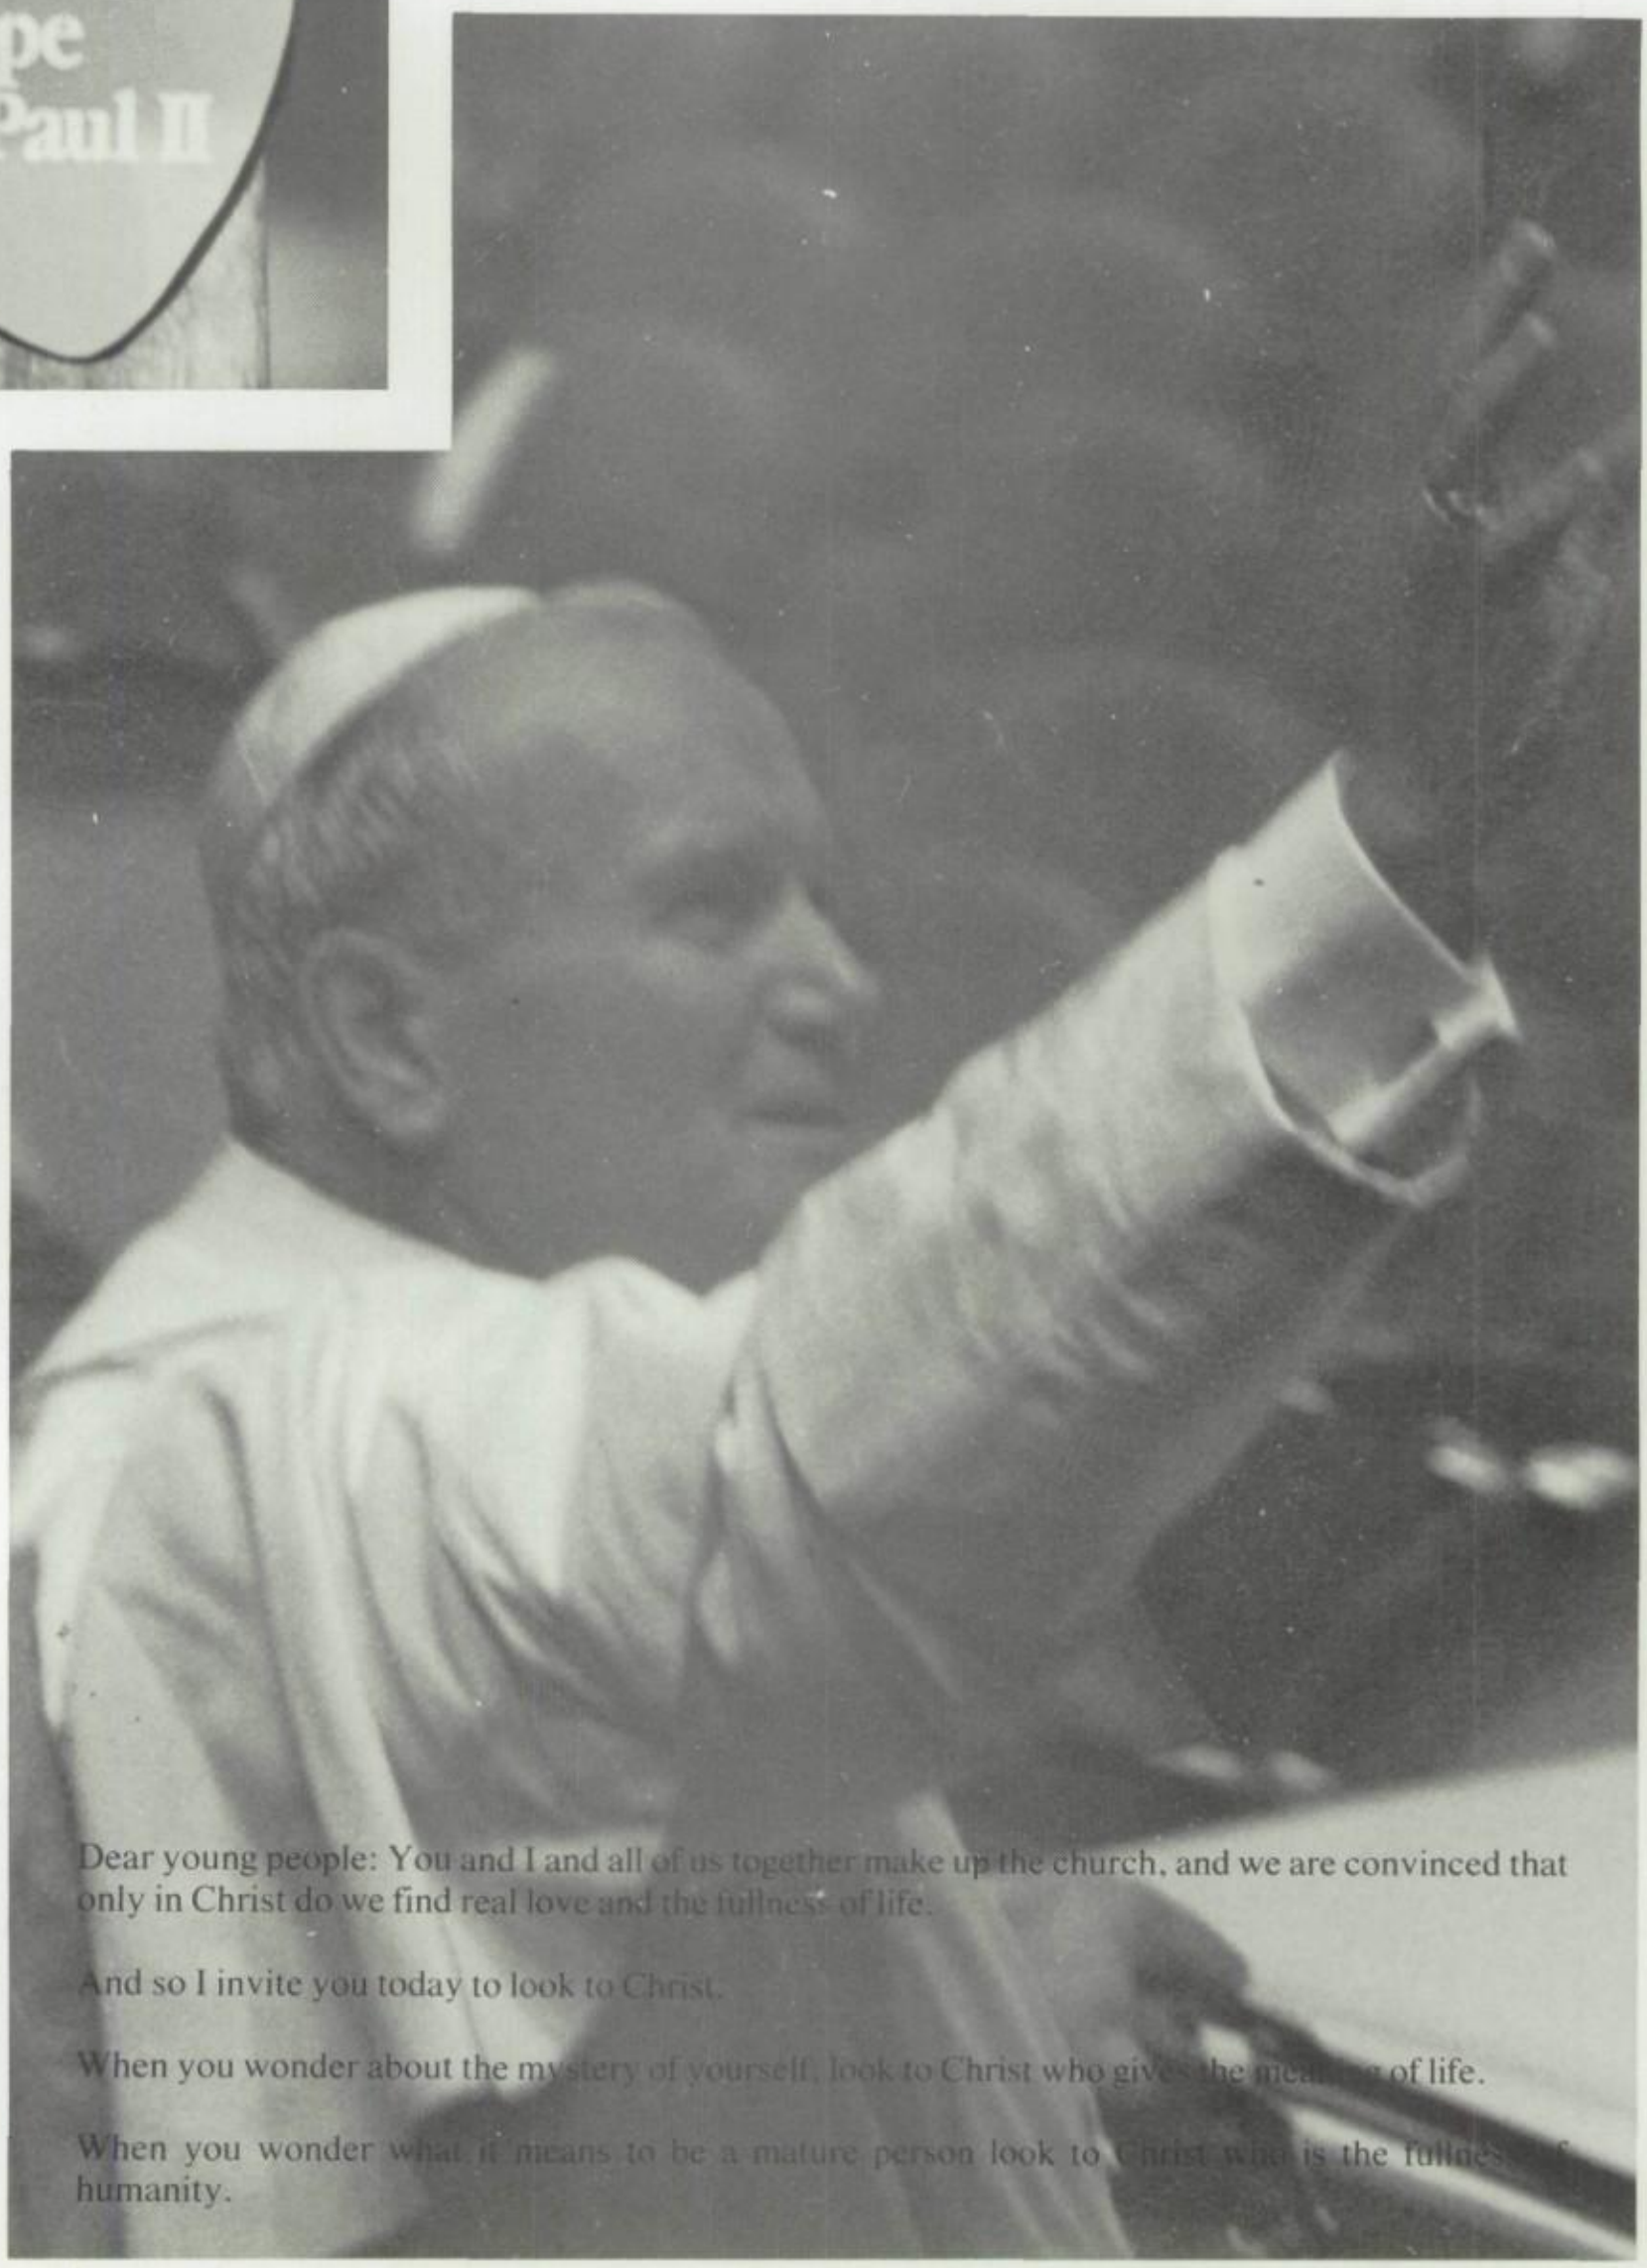
And to the librarians, Mrs. Driscoll and Mrs. Glensor, whose assistance and attention have saved many a student . . .

We wish to offer our deepest gratitude and our warmest thanks to these people who are so seldom acknowledged, but always remembered. Thank you! You hold a unique place in the hearts of us all.

Mrs. Maureen Driscoll

Mr. John Wissel





Dear young people: You and I and all of us together make up the church, and we are convinced that only in Christ do we find real love and the fullness of life.

And so I invite you today to look to Christ.

When you wonder about the mystery of yourself, look to Christ who gives the meaning of life.

When you wonder what it means to be a mature person look to Christ who is the fullness of humanity.

ADMINISTRATION

Principal
Reverend Thomas J. Bergin

The more you give, the more you get—
The more you laugh, the less you fret—
The more you do UNSELFISHLY,
The more you live ABUNDANTLY...
The more of everything you share,
The more you'll always have to spare—
The more you love, the more you'll find
That life is good and friends are kind...
For only WHAT WE GIVE AWAY,
ENRICHES US from DAY to DAY.

Seek not to shut out all stimuli save the immediately pleasing ones; youth is a time of impressionability for a reason. Open your minds and hearts to the treasures waiting to be discovered; let yourselves become all of what you can.

Until a man has learned to listen;
He has no business teaching:
Until he realizes that every man has something of
Truth and wisdom to offer,
He does not begin to learn.

Surpasses him that a man begins to be wise,
To himself and to his fellow man.

SISTER KATHY . . . OUR SPECIAL FRIEND

As we begin our final farewells to Moore, we must stop to recognize the dedication and devotion of a special friend, Sister Kathryn Hollywood.

Throughout her eight years of serving the students of Moore, Sister Kathy has brought much love and understanding to enlighten the hearts and minds of many.

It is difficult to find the words to thank Sister Kathy for all she has done for us. Without her patience, understanding, guidance, and concern the goals that we set for future would be impossible goals, far from our reach.

For your constant reminders and little notes, your personal caring and attention, for having a hundred hands, x-ray eyes, rollerskate feet to catch up with 141 seniors "sometime during the day," with never a complaint, for preserving a few moments of sanity during our frantic college search and pulling us through many "close-calls," and especially for always brightening our days and lightening our burdens with your ever-ready encouragement, cheerful words, and inspiring smile we offer you our sincerest gratitude.

THANK YOU SISTER KATHY HOLLYWOOD,
"YOU'RE A STAR!!"

Waiting for the rainbow's end

You pass the days

You don't get something for nothing
You don't get freedom for free
You won't get wise
With the sleep still in your eyes
No matter what your dream might be

What you own is your own kingdom
What you do is your own glory
What you love is your own power
What you live is your own story

Let it guide you along

We as students have created our own world. The world I speak of encompasses our four memorable years at Moore, and it is with deep regret that I end my stay within these walls.

Nothing in life is to be feared.
It is only to be understood.

Life was meant to be lived, and curiosity must be kept alive. One must never, for whatever reason, turn his back on life.

Every individual has a place to fill in the world and is important, in some respect, whether he chooses to be so or not.

There are loyal hearts, there are spirits brave, There are souls that are pure and true; Then give to the world the best you have, And the best will come back to you.

There are places I'll remember all my life though some have changed. Some forever not for better, Some have gone and some remain. All these places had their moments with lovers and friends I still can recall. Some are dead and some are living, In my life I've loved them all.

Dear Mom & Dad,

It takes lots of time, love, care & concern to stand behind your pride & joy. To help with goals & problems. To be there in times of pain & sorrow. To comfort & confide in & to receive that satisfaction that only a parent can from their child. To you I owe my life, love, happiness & future success. If it weren't for you I would not be where I am today. I only want you to be proud of me. I love you both dearly & thanks Mom & Dad, I owe it all to you . . .

I need to know that you will always be the same old someone that I knew . . .

Thanks Mom and Dad for all the love and understanding you have shared with me.

"I am not sure I have changed either. I know that today I am a little more aware of my body, a little more aware of nature, a little more aware of other people ... but that's not really 'changed', it's more 'returned'—returned to some of what I started life with. And I also know that I am a little more tolerant of the way I am, and of the way other people are ... And I know that I have a few more alternatives now, I am able to respond in some ways that I couldn't a few years ago—only ideas change."

Mom and Dad . . . You're the ALL TIME Greatest, I Love you both!!
Thanks for all your love!!!!

John,
Four years we've spent together, happy they have been.
Moore is full of memories, and full of good old friends.
Our years at Moore are ending, new horizons we will seek.
We will always be together and within one anothers reach.
We will say good-bye to yesterday, but tomorrow brings a smile.
For hopefully our work at Moore will all have been worthwhile!

To all my friends at Moore:

Didn't we have an enjoyable stay at Moore? Well, in case some of my Harvard bound friends aren't sure of the answer, it's yes, at least it was for me. It wasn't that bad you guys. I'll agree that Junior year with its five regents and the other state tests (which we all did very good on) wasn't a piece of cake. However we had a lot of good times. You remember . . . Laryngitis before the play, Moore hockey, Denise study that Chem, fancy foot work, Moore Male chorus, the Big Guy, Spring and Christmas concerts, Gaudet get away from my locker, Drivers Ed, Gym test, What great shape we're in, Ray, Culture Days, Mrs J's homeroom, Initiations, The Music Man, Hello Dolly, Chicken Breast, Mom's College, Bowling, Math League . . .

Let's hope that the next four years will have as many good times and memories in it as the last four years did. Also I would like to thank all the people and they know who they are, (friends and family), who helped me get through high school so thanks and adios (those that took Spanish with me know that that's about the only Spanish word I know, so I might as well use it.

Special joys and special
places
Special friends together
The moments pass so
quickly
But the memories last . . .
Forever.

If I could save time
in a bottle
The first thing that
I'd like to do
Is to save everyday
till eternity passes
away
Just to spend them
with you . . .
My Friends.

BONNIE

A friend is one to whom one may pour out all the contents of ones heart
Chaff & grain together
Knowing that the gentlest of hands will sift it
Keep what is worth keeping & with the breath of kindness
Blow the rest away.
Thanks to my friends for 3 great years & so much more then I can say.

DEBBIE

I search for knowledge, strength, peace, and love.
I'll move on and grow,
I'll move on until, I know.
And when I find it,
I will stay with it
Until the day when it will end,
Then I'll start my search, once again.

Sweet Memories . . . Flashing very quickly by
Reminding me . . . Giving me a reason why
I know that . . . My goal is more than a thought
I'll be there . . . When I teach what I've been taught.
You know we've told you before
But you didn't hear us then
So you still question why
You didn't listen again.
Sweet Memories . . . I never thought it would be like this
Reminding me . . . Just how close I came to missing.
I know that . . . This is the way for me to go
You'll be there . . . When you know what I know.

Many time I have loved
Many times been bitten
Many times I've gazed
Along the open road
Many times I've lied
Many times I've listened
Many times I've wondered
How much there is to know
Many dreams come true
And some have silver linings
I live for my dreams
And a pocketful of gold.

Come sleep on the beach
Keep within my reach,
I just want to die with you near,
I'm feeling so high with you here, I'm wet
And I'm cold, BUT I THANK GOD I AIN'T OLD,
Why didn't I ever say what I mean?
I should have split home at fifteen.
There's a story that the grass is so green.
What did I see? Where have I been?
Nothing is planned by the sea and the sand.

My life . . . I will grow to understand. Baby we were born to run. It all seems so long ago, yet only yesterday.

Lastly to my Mom and Dad: I wanted to say something different, something special, something I know no one else will say, but the best thing I can think of was to simply say Thank You, for everything . . .
I love you both.

Ticking away the moments that make up a dull day
You fritter and waste the hours in an offhand way
Kicking around on a piece of ground in your hometown
Waiting for someone or something to show you the way

Tired of lying in the sunshine staying home to watch the rain
But you are young and life is long and there is time to kill today
And then one day you'll find ten years have got behind you
No one told you when to run you missed the starting gun

And you run and you run to catch up with the sun but it's sinking
And racing around to come up behind you again
The sun is the same in a relative way but you're older
And shorter of breath and one day closer to death

Every year is getting shorter, never seem to find the time
Plans that either come to naught or half a page of scribbled lines
Hanging on in quiet desperation is the English way
The time is gone the song is over, thought I'd something more to say.

Friendship is a priceless gift
That cannot be bought or sold,
But its value is far greater
Than a mountain made of gold.
For gold is cold and lifeless,
that can neither see nor fear,
And in a line of trouble,
It is powerless to cheer.
It has no ears to listen
Nor heart to understand
It cannot bring you comfort
Or reach out a helping hand,
So when you ask God for a gift,
Be thankful if he sends
Not Diamonds, Pearls or Riches But
The love of a REAL TRUE FRIEND.

All my life, though some have changed,
Some forever, not for better,

Tune me in to the wild side of life
I am an innocent young child sharp as a knife
Take me to the gatters where the artists have died
Show me the courtrooms where the judges have lied ...
And each day I learn just
a little bit more I don't why
but I do know what for
If we are going somewhere
let's get there soon before
This song's got no title,
just words and a tune

The Journey

The wind is blowing soft and slow,
Calling me to follow the breeze
On a journey on which I have to go

In which direction, I do not know
I won't find the answer with ease
The wind is blowing soft and slow

Timeless change from high to low
Finding future's door, losing the keys
On a journey on which I have to go

Future's beckoning, I don't want to show
Maybe I'll go on hand and knees
The wind is blowing soft and slow

How to follow? Where to go?
Who to question? Who to please?
Answer on the journey, I have to go!

Where it will take me I wish I could know
And answers to questions like these.
The wind is blowing soft and slow.
On a journey on which I have to go.

RING DAY — APRIL 6, 1979

For almost three years we have looked with longing eyes to this day, not for its own sake but for what it would bring with it. To enable us to always remember all our high school days, we have a token — our school rings. To us, it is not merely a piece of jewelry, but rather a band, an emblem, a sign.

Uniting all the graduates, it is a band of the

JOY . . . of companionship
SORROW . . . of disappointment
LAUGHTER . . . of trivialities
TEARS . . . of sympathy.

It is a symbol of

KNOWLEDGE . . . gained
COUNSEL . . . offered
UNDERSTANDINGS . . . exchanged
PIETY . . . instilled

Depicting the life of Moore, it is an emblem of

DREAMS . . . shared
HOPES . . . realized
MEMORIES . . . cherished
MATURITY . . . assumed

Representing virtue, it is a sign of

LOVE . . . of truth
FORTITUDE . . . of will
HUMILITY . . . of spirit
RESTRAINT . . . of emotions
TEMPERANCE . . . of indulgence
CHRISTIANITY . . . of manner
PURITY . . . of life
and COURAGE . . . of adulthood.

Our senior rings mean all this to us and even more. They are the essence of our ambitions, our secret wishes, our development of virtue, our maturity; it is the reward after the journey of apprenticeship. It is our crown for having "run the course, kept the faith, — May we finish the work He gave us to do."

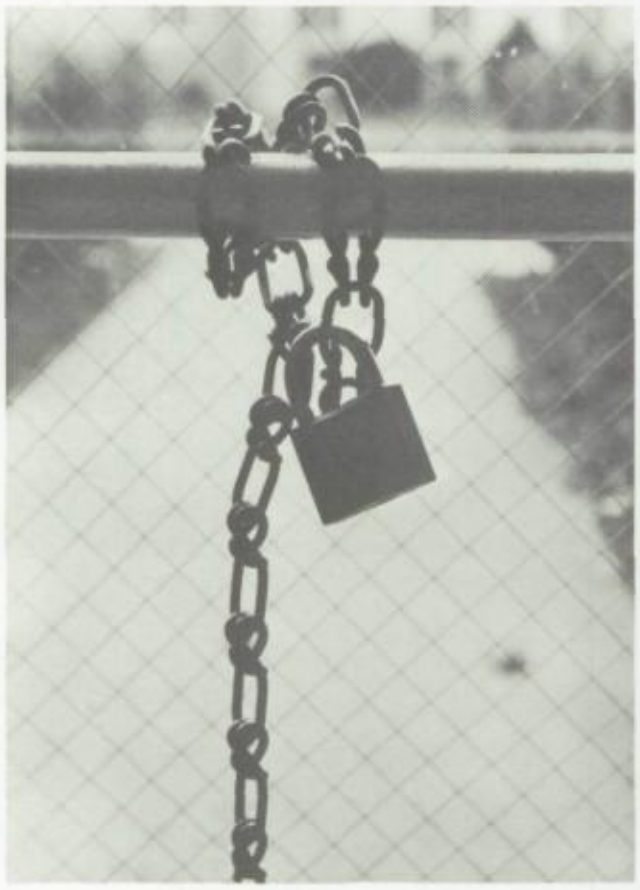
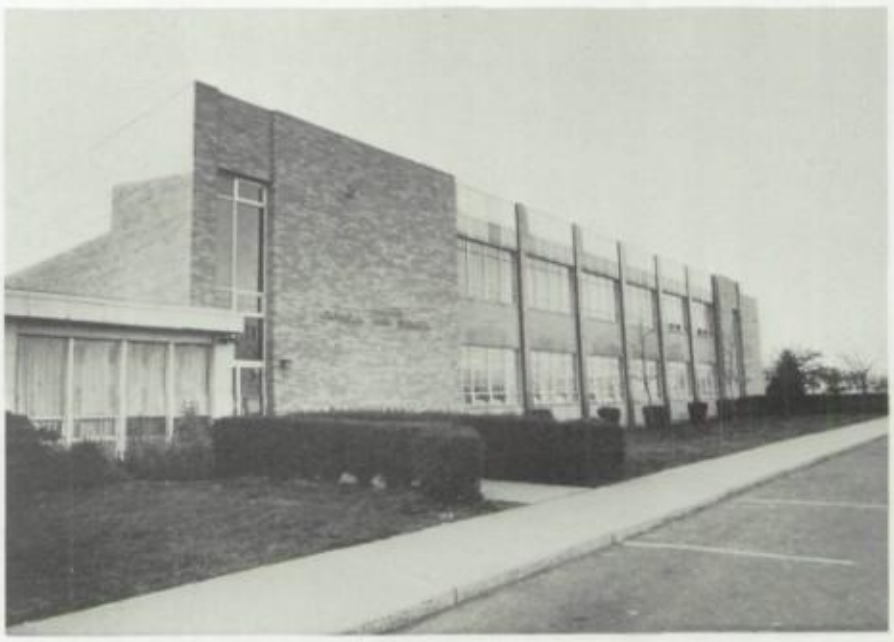
THE PINES RESORT

So long,
All of the night's we'd harmonize till dawn
We never laughed so long,
so long
so long...

FEBRUARY 27, 28, 29, 1980



i've walked for years in
this building
building
my mind and my thoughts to
make stray dreams
come true
listen, i've something to
say
thank you, my friends
—you've given me memories
and a cause—
and to those whom i haven't
left a dream
a significance
—forgive me



We've been through
some things together
with trunks of memories
still to come.
We found things to do
in stormy weather.
Long may you run.

MUSIC AND THE THEATRE AT MOORE

. . . began in 1964 when the student body moved into the present building, with the organization of THE COUNTESS MOORE SINGERS, a choral group of one-hundred young women.

The SINGERS present two major concerts each year — one at Christmas and the second in May. They have appeared in Festivals, at the New York World's Fair, and in several Island Concerts as well as social 'mixers' with glee clubs from boy's schools. They were founded and are conducted by Mr. Lesch.

At Thanksgiving time in 1965, MOORE presented its first Broadway musical revival: "THE BOY FRIEND", for the first time on Staten Island and MOORE HIGH SCHOOL was the second organization on Staten Island ever to present a Broadway musical! (The first was St. Peter's who that Spring presented "OKLAHOMA!". Both productions were conceived and conducted by Carl William Lesch.)

Then followed a quick succession of MOORE Broadway revivals: in 1966; "THE SOUND OF MUSIC" — the first time EVER presented on Staten Island . . . even before the arrival of the motion picture version!

In 1967: "BRIGADOON"	In 1973: "BLOOMER GIRL"
In 1968: "THE KING AND I"	In 1974: "HERE'S LOVE"
In 1969: "CAROUSEL"	In 1975: "OF THEE IS SING"
In 1970: "MAME"	In 1976: "PAINT YOUR WAGON"
In 1971: "GUYS AND DOLLS"	In 1977: "SOUTH PACIFIC"
In 1972: "SHOWBOAT"	In 1978: "THE MUSIC MAN"

our gala Fifteenth Anniversary Show:
"HELLO DOLLY"

Also for the first time on the Island, MOORE presented productions with "thrust" staging.

During the Spring, Moore Catholic affords its students and faculty, the opportunity of participating in the annual Drama Club production. Previous shows have been: A MIDSUMMER NIGHT'S DREAM; THE MOUSE THAT ROARED; THE MAN WHO CAME TO DINNER; OUR TOWN; HARVEY and GOD'S FAVORITE.

And what of the future? Your support of this show bodes well for more musicals at MOORE, presented in as PROFESSIONAL a manner as possible, for we realize that "professionalism" is not based on a performer's financial remuneration, but is a state of mind and attitude.

Our boys and girls learn something with every performance . . . it is an enriching experience. To work together . . . the creation of a theatrical — a musical moment . . . one never to be forgotten.

Words are empty and without meaning. Gestures, stiff and artificial. Songs, just a combination of notes. To Be a Champion

Champion is to be the best,
It takes a lot of work;
You have to forget the rest.

Your body and mind
Have to think as a team;
Tie them together, make a bind.

Set a goal and take careful aim.
Make it hard, accomplish it,
And there will be no shame.

Dedication is no fun;
It makes you tired,
But it makes you No. 1.

The phrase "Let's Turn Two" was heard many times from the Moore dugout by a mysterious baseball wizard. In baseball if a team can make a double play, it shows the teams character. Being on Moore's baseball we all showed the guts and determination to make the double play, lead by our baseball wizard COACH RAY ELLIS. Besides teaching us to make the double play Mr. E taught us to be hard workers, thinkers, good sports, and all in all better human beings ..... With Ray Ellis if you win, you win, but also we feel with Ray Ellis if you lose, you win.

"If I leave here tomorrow,
will you still remember me?
I must be travelling on now,
there's too many places I gotta see
And if I stay here with you, now,
things just couldn't be the same
'Cause I'm as free as a bird,
And this bird you cannot change . . ."

Special thanks to:	Terri, Linda, Missy, Michelle, Gail, Steve, Kathy and Tina.

Very Special Thanks go to Jerry and his staff at Arden Studios especially Terry, Sal, and John.

Endless thanks go to all who are a part of this school for they are the memory makers . . .

Maria,

It's hard to express my thanks, for there are so many people who have contributed to this book. Firstly, thank you Marianne, Chrissy, Michele and Maria for being the best staff and the most understanding people. We could have only done it together, I'm so glad we are a team. Thank you Tereza, you are my right hand. How can I forget Sue Stacey — thanks for being there. Special thanks to Roe and Fratt, Michael, Lisa, Lisa S., Billy and Tina for their time and patience. Thanks Miss Carr and Miss Berry for a year I will never forget. We have all had our difficulties, but it is through them that we have grown. It is hard to believe that it is all over. You will always be in my heart because that's where my most precious memories are. Thanks for the love and understanding. Goodbye doesn't mean forever, so I hope I'll meet up with you all again. Who said a dedicated staff was hard to find? I love you all! Marie, you know. You were there at the start of the rainbow. We've walked side by side and we'll stay that way even after we find the "pot of gold". Thanks for the "honesty"—it's so hard to find.

Thanks to the class of 1980. Because of you, I have beautiful memories in my heart. I'd also like to thank those teachers who not only taught me a subject like English or French, but they showed their concern and friendship.

Good luck, seniors, it's been *very* real. Don't ever forget what BRUCE says, "It's a town full of losers, I'm pulling out of here to win . . ."

Love,
Diane

"If the hands of time were hands that
I could hold,
I'd keep them warm and in my hands
they'd not turn cold.
Hand in hand we'd choose the moments
that should last,
The lovely moments that should have
no future and no past.
All the happy days would never
learn to fly,
Until the hands of time would
choose to wave good-bye . . ."
